

SALINO

Tinto 2021

The pure essence of the Alentejan Atlantic coast. From a single vineyard nestled in the foothills of the S. Luis Range where the River Mira meets the Ocean.

Wonderfully aromatic, this wine combines pristine blackcurrant and herbal tones with the intense coastal character of iodine, brine and dried seaweed. The palate is sleek and energetic, with a tight mineral character bringing notes of graphite. A refreshing acidity drives the wine towards a long and elegant sea spray finish.

Variety: 100% Cabernet Franc

Soil: Sandy, silty gravels

Farming: Organic with regenerative practices

Vinification: Hand-picked, spontaneous fermentation, fully destemmed, 25 days of maceration with gentle extraction.
